All of our cars are in immaculate condition and will be beautifully presented with coordinating ribbons and flowers on your Wedding Day.

They have been carefully selected to ensure easy access, even for the fullest of dresses.

Our Chauffeurs always do a 'dummy run' for weddings to ensure they know exactly where they are going and how long it will take, making sure we get you to your destination on time!

OUR CHURCH WEDDING PACKAGE

We charge a fixed price for Church weddings which include the following:

- Full uniformed Chauffeur/Chauffeurs
- We are happy to undertake multiple journeys at **NO EXTRA COST** providing there in the same area. This can also include the Groom and Groomsman

OUR CIVIL WEDDING PACKAGE

We charge a fixed price for Civil weddings which include the following:

- Full uniformed Chauffeur/Chauffeurs
- We are happy to undertake multiple journeys at **NO EXTRA COST** providing there in the same area. This can also include the Groom and Groomsman
- Transport from home to the reception
- Plenty of chilled Bubbly on board
- Colour matched Flowers, Ribbons and Bows
- Ample time for Photographs at the venue
- You have the option of a local tour. This now proves very popular as its a great opportunity for the newly weds to have additional photographs away from the venue and a 10 minute break away from guests!

Unless the church or venue is local to the pick up address 2 cars may be required.

We have a wonderful selection of cars that can be paired up together, we will of course make recommendations to you following your consultation.

If the wedding and reception are at the same venue then our Chauffeur will wait for photographs with the Bride and Groom, or partners, following the wedding ceremony.

Your Chauffeur can then take you for a short drive. The drive is popular as it's the only time during the days proceedings that you'll probably have a little intimate time together.

A Bottle of Bubbly - As the Bride and Groom prepare to leave the church or venue, our Chauffeurs will serve glasses of chilled Bubbly to the newly married couple, this tends to be a traditional photo opportunity and a special time for you both to celebrate.

Transport after the Reception - We can provide a quote for a further journey for the Bride and Groom, or partners, to a hotel or airport for the honeymoon getaway following the reception.

You can never book too early - To ensure you choose the car of your dreams, it is advisable that you make your booking at least 1 year prior to the wedding. £100 deposit secures any booking, so you have piece of mind that you will get to the church on time.

Ask about our special discounted packages when booking 2 or more cars.
